

## Iomega® StorCenter™ Pro NAS 150d 1TB Server

SKU# 33610

### Description

**Short** – The Iomega® StorCenter™ Pro NAS 150d 1TB Server 1TB offers cost-effective, powerful network storage for any home or small office network.

**Long** - The Iomega® StorCenter™ Pro NAS 150d 1TB Server offers cost-effective, powerful network storage for any home or small office network. This high performance drive offers fast data throughput and time to data; RAID technology for ultimate protection and print server capability allowing users to manage one printer on the network. It integrates easily with your existing infrastructure and provides you with expanded storage, file sharing and back up for all your critical data.

### Features

- **Capacity:** 1TB with 4x250GB SATA-II hot swappable hard disk drives
- **Sharing:** Access files from any networked PC or Mac® for easy file sharing and print serving
- **High Performance:** Gigabit Ethernet connectivity with Jumbo Frame support combined with a high performance embedded architecture
- **Hot Swap HDD's:** Unlike some other 4 drive NAS systems on the market, the 150d delivers true hot swappable hard disk drives
- **Data Protection:** RAID 0, 1 & 5 support (note: RAID 0 is for the highest performance, but it does not provide data redundancy)
- **Network File Protocols Supported:**
  - Microsoft® (CIFS/SMB)
  - Linux/UNIX (NFS)
  - Apple (AFP)
  - Internet (HTTP 1.1)
  - FTP
- **Journaling File System:** Journaling file system prevents data loss in the event of a power failure
- **Active Directory Support-** works as a client member in an Active Directory domain by utilizing the domain users and groups
- **Secure:**
  - Touch-Free™ professional-level backup and disaster recovery for all your critical data with included software
  - Just set it and forget it - effortlessly back up files on a scheduled or continuous basis (client to NAS)
  - Robust username and password authorized access
- **Simple to use:**
  - Easy network file sharing
  - Using Discovery Tool, automatically configure to work with any network computer
  - Management via user friendly web interface
- **Software Compatibility:** Compatible with today's most common backup software titles
- **Warranty:** 2 year

### Specifications

- Desktop form factor
- 10/100/1000 Mbps Ethernet Connection
- 128MB RAM
- 400MHz CPU
- Four 250GB, 7200 RPM, 8MB Cache SATA-II hard disk drives

- Four USB 2.0 ports (device only for external HDD or printers)

#### Client computers

- Windows PC
- Mac OS
- LAN standards
  - IEEE 802.3, IEEE 802.3u
- AC Voltage 100-240 VAC
- Assembled in China, PRC
- Quick start guide localized for – English, French, Italian, German, Spanish and Chinese Traditional
- User Interface localized in English, French, Italian, German and Spanish
- HTML User Manual – English, French, Italian, German, and Spanish

### Contents

- Iomega® StorCenter™ Pro NAS 150d 1TB appliance
- Ethernet cable
- Internal Power supply (support for worldwide distribution with 6 power cables; USA, UK, Japan, Korea, Europe & Australia)
- Printed Quick Start Guide
- Solution CD with system software and user manual
- **Software Included:**
  - EMC® Retrospect® Express (Backup & Disaster Recovery); includes 5 client licenses; additional licenses available for purchase online at [www.iomega.com](http://www.iomega.com)

### System Requirements

- **PC Users:**
  - Pentium® 300Mhz processor or higher
  - Microsoft® Windows® 2000 / 2000 Professional / XP Home / XP Professional / Vista
  - CD or DVD drive to install software and view user's manual
  - Must meet minimum RAM requirements for your operating system
  - Available 10/100 Mbps network Ethernet port (required)
  - 1000 Mbps recommended for maximum performance
  - DHCP configured network (recommended)
  - Network hub, switch or router (recommended)

Product Release Information

**Mac® Users:**

- Available 10/100 Mbps network Ethernet port (required)
- 1000 Mbps recommended for maximum performance
- Requires Mac OS X 10.2.7 or higher
- CD or DVD drive to install software and view user's manual
- Must meet minimum RAM requirements for your operating system
- DHCP configured network (recommended)
- Network hub, switch or router (recommended)

• **Linux**

- Supported Linux distributions: Redhat 9, Mandrake 10, Debian 3.0, Gentoo, FedoraCore 3

**Other**

**UPC Code** – 742709336102

**Accessories** – SKU 33719 (250B HDD CRU), SKU 33609 (extended warranty)

**Region** – Worldwide

**Scheduled Availability** – Oct 25, 2006

<u>Unit Information</u>	<u>Single Package Information</u>	<u>Master Carton Information</u>	<u>Pallet Information</u>
11.54" x 7.08" x 10.35"	14.78" x 11.03" x 16.15"	N/A	11 cartons per layer
29.3 x 18 x 26.3 cm	37.5 x 28 x 41 cm		3 layers
